

## INFORMAZIONI SUL MARCHIO:

### -COSTO DI IMPIANTO:

Are provided equipment costs for customization.

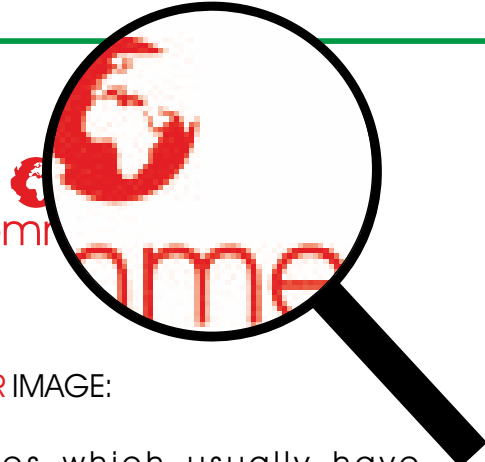

### -SIZE LOGO:

The mark will be resized, while **maintaining the aspect ratio**, based on the useful space of chosen product. Generally the maximum overall dimensions are between **50 x 25 mm** for hangers and **25 x 25 cm** for suit cover.

### -WHAT IS MEANT BY VECTOR BRAND/LOGO?

Without going into too much detail, a vector logo is an image containing all the information needed to be read by any kind of machinery, without any intermediate steps, and can therefore be reproduced in even huge dimensions without any loss of quality.

<p>e.g.</p>  <p><b>RASTER IMAGE:</b></p> <p>Images which usually have extensions .jpg .png .gif</p>	 <p><b>VECTOR IMAGE</b></p> <p>images that generally have as extensions .ai .pdf .cdr</p>
---	---

For technical reasons, the brands we manage should, if possible, have the following characteristics:

- be of vector origin
- monochromatic (one colour)
- no shading

**LOGOS SUPPLIED WITHOUT THESE CHARACTERISTICS WILL BE RE-PROCESSED TRYING TO KEEP THEM AS SIMILAR AS POSSIBLE TO THE ORIGINAL IN SUCH A WAY HOWEVER AS TO RESPECT THE CONDITIONS NEEDED FOR THEM TO BE CREATED.**
